

2024-25 SCY MEET EXPLAINER

IF YOU HAVEN'T ALREADY SEEN IT, WE'VE POSTED A DRAFT OF THE 2024-25 SCY MEET SCHEDULE - YOU CAN FIND IT POSTED ON OUR WEBSITE. THIS COMPANION DOCUMENT EXPLAINS A BIT MORE ABOUT THE SCHEDULE

HERE'S WHAT'S "THE SAME"

Often, we start with the previous year's schedule as a starting point, so you'll see a lot of 'familiar' meets.

- BAC is still hosting the same set of meets – the Spooktacular in October, the Holiday Splash in December, the January Classic, and the Groundhog Open in February
- We're still attending some of the same 'time standard' meets; notably the WGLO in November and the Schroeder A+ Meet in February. We have hotel blocks for each of those meets, so reserve a room ASAP
- We still have some local 'non-BAC' meets on our schedule – the VAST meet in October and the MSS meet in November
- The Championship Meets are the same basic format; 12-Under Single Age State in December, the Regional Championship Meet in February, and then 3 LSC Championship Meets to end the season

HERE'S WHAT'S NEW!

Even with a great meet schedule the year before there's always a few changes, and we're always looking to make improvements! Here's some of what's new for the 2024-25 SCY Meet Schedule

- We are NOT hosting the Single Age Meet in December this year, but instead we're hosting the 10-under State Meet in February!
- For our fall bus trip we're planning to attend a meet in the Green Bay area instead of Holland Michigan. It's a pool and meet we've never been to and should still be quite the travel experience, but it's not going to be as arduous (or expensive, or time consuming) as traveling to Michigan

We have NEW MEET EXPERIENCE for 2024-25 - the "IMR Reward Meet"!!

Our schedule is full of fun meet experiences that can be 'earned' by our higher performing swimmers – meets like WGLO, A+, and State Meets. But half of our swimmers aren't yet at that level and this meet gives them a fun experience to set their goals on qualifying for! Read more about the meet on our website!

HERE'S WHAT'S STILL TBD

- **SAVE THE DATE** for the 2025 Swim-A-Thon – on and around January 18th! Our 2024 "25-hour swim" was a pretty epic experience, but not something we're going to be repeating every year. We've got some great plans and options for the 2025 SAT, but obviously more details to come.

**SHOULD BE A GREAT SLATE OF MEETS AND A FANTASTIC 2024-25 SCY SEASON!
GO BAC!**
