

2025-26 SCY MEET EXPLAINER

IF YOU HAVEN'T ALREADY SEEN IT, WE'VE POSTED A DRAFT OF THE 2025-26 SCY MEET SCHEDULE - YOU CAN FIND IT ON OUR WEBSITE. THIS COMPANION DOCUMENT EXPLAINS A BIT MORE ABOUT THE SCHEDULE

HERE'S WHAT'S "THE SAME"

Often, we use the previous year's schedule as a starting point, so you'll see a lot of 'familiar' meets.

- BAC is still hosting some of the same meets – the Spooktacular @ Middleton in October, the Holiday Splash @ Sauk Prairie in December and the January Classic @ Verona in January (duh).
- We're still attending some of the same 'time standard meets'; notably the WGLO in November and the Schroeder A+ Meet in February. We'll be setting up hotel blocks for each of those – it's fun to stay together!
- We still have some local 'non-BAC' meets on our schedule – the VAST meet in October and the MSS meet in November, and we're adding another non-BAC meet at Verona in January.
- We're once again heading to Green Bay for our annual bus trip in early November!
- The Championship Meets are the same basic format; 12-Under Single Age State in December in Racine, the Regional Championship Meet in February at Verona, and then 3 LSC Championship Meets to end the season, including the BAC-hosted 10-under State Meet @ Verona!

HERE'S WHAT'S NEW!

Even with a great meet schedule the year before there's bound to be a few changes, and we're always looking to make improvements! Here's some of what's new for the 2025-26 SCY Meet Schedule

- The exact format is still TBD, but we're looking to expand both the Spooktacular and Holiday Splash to multi-day meets to offer a wider variety of events.
- In previous seasons we've loved having WGLO and MSS the same weekend – it allows EVERY BACer to compete at different meets but on the same weekend. This year we're adding another pairing – VAST added a meet to the schedule the same weekend as SSTY A+, and BAC will be attending both!

IMPROVING ON A GREAT ADDITION – THE 'IMR MEET'

Our schedule is full of fun meet experiences that can be 'earned' by our higher performing swimmers – meets like WGLO, A+, and State Meets. But half of our swimmers aren't at that level yet - adding this meet last year gave those swimmers something to shoot for and something to earn. We're adding to the experience in February 2026 by bussing to and from the meet!

HERE'S WHAT'S STILL TBD

- As of July 2025 things feel pretty 'locked in' for most meets, but something will likely change at some point :^)
- **SAVE THE DATE** for the 2025 Swim-A-Thon – the weekend of January 17th! We've got some great plans and options for the 2026 SAT, and obviously more details to come.

IT SHOULD BE AN EXCITING SCY SEASON FULL OF GREAT RACING OPPORTUNITIES FOR EVERY BAC SWIMMER! CONNECT WITH YOUR SWIMMER'S LEAD COACH WITH ANY QUESTIONS ON THE BEST MEET SCHEDULE FOR THEM!

GO BAC!
