

# **JANUARY CLASSIC 2026 PARTICIPANT LETTER**

## **THANKS FOR ATTENDING THE 2026 BAC JANUARY CLASSIC MEET!**

We hope everyone had a great week back from break – we’re excited for a fun weekend! A couple things to note for families attending the meet this weekend.

[MEET LANDING PAGE](#): check our hosted meet page for all of the usual postings – everything should be updated by midday Thursday. The Livestream link is through ‘Badger Aquatics Club’ YouTube and the link will be posted on the meet page.

‘WARM WATER’ POOL & ATRIUM: The warm water pool is currently NOT available. For this meet all warm-ups will be done in the competition pool. To make up for the reduced deck space we’ve rented the excellent atrium space just down the hall.

HEAT SHEETS AND ADMISSIONS: Both are FREE – or already included in your athlete surcharge. Heat Sheets will be posted on the Meet Page – you can view them electronically or pre-print them and they’ll also be available for free on Meet Mobile

CONCESSIONS: Available throughout the meet on Saturday and Sunday – upstairs at Verona by the spectator seating. We will not be hosting concessions on Friday.

AWARDS AND PHOTO AREA: Awards should be picked up by swimmers, NOT bagged for teams. We’ll also have a ‘photo booth’ area set up to take great pictures!

PARKING: The best parking for this meet is the ‘main lot’ to the east of the pool. Do NOT park in the ‘aquatics lot’ as it’s reserved for LGs and meet staff. There is a map on the meet landing page

BUILDING ACCESS: Also on the east side of the building, as shown on the parking map. Doors will not open until 7:15 on Saturday and 7:40 on Sunday.

**SHOULD BE A FUN MEET AND WE’LL BE DONE ON  
SATURDAY IN TIME TO CATCH THE PACKERS!**
