

BAC 2024 FALL MADISON SOCIAL

NO PRACTICE FOR ANY MADISON GROUPS ON TUESDAY, OCTOBER 1ST. INSTEAD, LET'S GET TOGETHER FOR A SOCIAL!

It seems that once a year the stars align and nearly all of our Madison pools become unavailable due to WIAA meets. This year the hosted meets affect literally every pool we use on Tuesdays, so we're all getting together for a fall social!

- **WHAT:** 2024 BAC Fall Social!
- **WHEN:** Tuesday, October 1st, from 5:30 – 7:30pm
 - Those are loose start and end times – pop in for whatever works for you!
- **WHERE:** Garner Park, 333 S Rosa Rd
 - We've rented the entire shelter (red), which is easy to find from the parking lot (blue)!
- **WHO:** Any Madison BAC swimmer, parent, family member, whomever!
- **WHAT TO DO:** Mostly just a chance to hang out and socialize, but we do have a couple of activities planned...
 - A Bouncy House! Pretty classic, intended more for the younger swimmers
 - A 'Hippo Chow Down' Inflatable. A human-sized version of the classic 'famished animal' game!
 - A playground, just east of the shelter
 - There are several fields and spaces for games in the park – sounds like the older boys have been bugging Chris about playing football all fall!
- **WHAT TO BRING:** besides yourselves and a great attitude of course!
 - This is a BYOE event – bring your own EVERYTHING. There are obviously plenty of picnic tables and spaces, but with the large but potentially quite variable number of attendees, we went with the path of least resistance :^)
 - If your swimmer and their friends have a particular activity they'd want to play, it's totally fine to bring balls or frisbees or whatever you'd like!

NO NEED TO RSVP – JUST SHOW UP! SEE YOU ON TUESDAY, AND GO BAC!
