

WRAPPING UP A GREAT GOLF-OUTING!!

THANKS TO ALL FOR A SUCCESSFUL GOLF OUTING!

We are thankful for those who helped make this year's BAC Memorial Golf Outing a success! **We had 96 players** that were a great mix of current and former BAC parents, coaches, and swimmers; former swimmers of Jack Pettinger; and members of the community. We were thrilled to have such a fun and supportive group out on the course — while a little warm, it was a fantastic day from start to finish!

A huge thank you to our hole sponsors: Orthodontic Specialists of Madison (Sheena Cupelli), Simply Swimming (Shane & Jenny Whildin), the BAC Masters Crew (Dave Holland), Edgewood High School (Trisha Samuleson), PRP International, Lisa & Mike Unger, Becker's Bounty, and Daniel Gives Back (Coach Ido and his family).

Thank you to everyone who purchased raffle tickets! We're so very grateful to our **raffle item donors** Coach Jill (3 Wisconsin Dells family packages) and Nate Pokrass (signed Michael Phelps Caddie Bib and poster), as well as the many businesses throughout Madison who generously donated items for our raffle prizes.

We'll be working with Steve Ramig and the UW Initiative to End Alzheimer's to make a donation in Jack's honor. **Keep an eye on the BAC Facebook page for updates on the final total and photos from the day.**

A huge thank you to everyone who made this event a success!

GO BAC!
