

POST-WIAA PLANS FOR HS BOYS

WITH THE BOYS WIAA SEASON COMING TO END, SOME NOTES ON MEET OPPORTUNITIES FOR HS BOY BACers!

From the results we have seen so far it looks like everyone is having a successful HS Swim season so far! We are all very excited to follow along with the championship meet results over the next month and even more excited to see everyone when they return to club swimming with BAC!

This email is going to all HS boy BAC swimmers that were active with us this fall. We wanted to send a reminder that your fall fees also include returning to swim with BAC for the weeks after the end of your HS swim season through whatever meets you are able to attend with BAC! This email will detail what meets are options and how/when you can qualify for these meets!

One very important note for all meets - if you have not already, you need to complete your swimmers USA Swimming 2025 registration before you return to practice with BAC. If you do not complete this you are not eligible to swim in USA Swimming meets and you may be unable to participate in practices! If you need any help with this please reach out to Chris.

Regionals @ Verona 2/21 - 2/23: This meet is a great meet to attend for boys who do not qualify for the WIAA State Championships - if you would like a chance to swim some events that are not offered during the high school season. Or if you need to achieve USA Swimming State cuts this is the weekend to do it! If you are competing at WIAA State you can also attend this meet - make sure to connect with your group coach to figure out what makes the most sense for you. (Swimmers can also do a 'time trial' of any event at the end of the meet on either Saturday or Sunday. You should connect with your coach beforehand if that's part of your plan...)

Senior State Championships @ Schroeder 2/28 - 3/1: We are very excited about this meet for the boys - since it is only 1 week after the end of the boys HS season it makes continuing your HS taper much easier and we are excited to see some very fast swimming at this meet! You can qualify for this meet with ANY TIME MEETING THE TIME STANDARD FROM YOUR HS SEASON THAT YOU HAVE A COPY OF A RESULT FOR. This meet also offers 50s of stroke - lots of fun racing opportunities. We would love to have every qualifier attend!! Make sure to connect with your group coach if you have qualified at a HS meet.

11 - 14 State Championships @ Recplex 3/07 - 3/09: State Championship meet for 13-14s - same as the Senior meet if you are still 14 you CAN qualify with any time you can produce a result for! If you are 14 and qualified this will be an awesome meet to swim at!

Sectionals @ Rochester Minnesota 3/13-3/16: If you are qualified for this meet you already received an info email from Chris - you can only qualify for this meet at WIAA Sectionals or State (And USA Meets after the HS Season).

NCSA Junior Nationals @ Orlando 3/19-3/23: If you are qualified for this meet you already received an info email from Chris - you can only qualify for this meet at WIAA Sectionals or State (And USA Meets after the HS Season)

If you have any questions about any of these meets make sure to reach out to your BAC group coach! We can't wait to see the results from the end of your HS Swim season!

**GOOD LUCK WITH THE REST OF YOUR SEASON, AND SEE YOU
AFTERWARD! GO BAC!**
