

MADISON FALL 2025: NEW SWIMMER EVALS

THANK YOU FOR YOUR INTEREST IN BAC! We're incredibly proud of our reputation within the Greater Madison swim community and are so pleased that every year we have so many prospective new swimmers looking to join BAC!

Over the years, we've refined how to best take in these new swimmers and make their transition to joining BAC as smooth as possible. We like to have them meet coaches prior to the start of the season, do a few trial practices, and get a feel for our team. We also use the opportunity to make sure that every new swimmer is placed into the best group for them to have success in the pool!

This year we'll be running two different sessions of NEW SWIMMER EVALUATIONS (NSEs) for swimmers in the Madison area. These are for new swimmers looking to join the team in Fall or Winter* 2025-26. (*We allow swimmers to delay joining until winter if/when there is space. If groups fill in the fall, this may not be possible.) Participating in one NSE or the other is REQUIRED for our new swimmers – we use them to determine group placement as well as who to offer spots to if our numbers are too high.

Every fall our Madison groups – particularly on the west side – have more interest from new swimmers than space available in our groups. While we would LOVE to take every qualified swimmer, it simply isn't possible. We anticipate being able to take in a LOT of new swimmers – likely more than we'll turn away – just not every new swimmer :^/

You can see the schedule for the NSEs below. Interested swimmers can sign up for either NSE – we won't fill all of the spots during 'early August' NSE so select whichever works best. Swimmers should attend at least two of the three practices.

Registration is easy – click the link below or use the QR code:
