

# VERONA PARKING MAP

Please use the map below to find the best parking options for the Single Age State Meet! There are two great lot options available and plenty of parking.

The common area is REALLY spacious and nice, and located just south of the pool. Following the green arrows will take you right to it!

## GREEN:

The best parking option with the most space and easiest access to the common area

## YELLOW:

Another good lot. There are less spots than it seems from the map, so likely to fill up quickly

## RED:

This is the 'aquatics' parking lot during normal pool use, but it is NOT available for the meet and the doors on that side of the building will NOT be open
