

# SUMMER 2025 MID-JULY UPDATE

SHORT EMAIL UPDATE, BUT AS WE'RE STARTING TO GET MORE QUESTIONS ABOUT FALL REGISTRATION AND SCHEDULE, WE THOUGHT A QUICK UPDATE WOULD BE TIMLEY!

## **FALL REGISTRATION & SCHEDULE**

The background information here is that we submit requests for our pool time to different pools around July 1<sup>st</sup>, and we did that again this year. As of today, we've heard back from some facilities, but not all.

We WILL have registration open by the end of next week (7/25). Assuming we hear back from our rental partners, we'll also have ALL of the group schedules and fees posted at that time as well. If not, we'll post what we can, and update ASAP whatever is still TBD.

Registration for returning BACers will stay open until Sunday, August 10<sup>th</sup>.

## **SOCIAL MEDIA SURVEY**

I get it, summer is busy and so many of you aren't even active with BAC at the moment. But we would still LOVE to get your input on our social media structure and content. You can take the survey from your phone in 3-4 minutes – thanks for considering!

## **VOLUNTEERING AT USA FUTURES**

There's a big meet coming to the UW Soderholm Pool next weekend – USA Futures. The meet was originally slated to be hosted by the UW team, but with the coaching changes they bailed and MAC has stepped up to host. They're looking for volunteers, and you can find more information about it [HERE](#).

## **SWIMMING IS MORE FUN WITH MORE FRIENDS!**

We hope to see all of you back this fall, but swimming is more fun with more friends! As you wrap up your summer league seasons, help spread the word about BAC! We'll have booths at both the Tri-County and All-City Championship Meets, so encourage families to stop by and check it out!

**GOOD LUCK WITH THE REST OF YOUR SEASON, AND GO BAC!**
