

SPRING 2025 WEEK 2 EMAIL

Hey BACers

It's nice to see the weather finally acting spring-like! Outdoor swimming will be here before we know it!

A couple of miscellaneous things for this week...

[ZOOM ON COLLEGE SWIMMING TONIGHT](#)

If you watched the parent meeting until the end, you heard me mention something that we're really excited about for the spring – a series of Educational Zooms on Wednesday nights at 8pm. Tonight we have Joel Rollings – a longtime WI LSC and College Coach and currently the Head Coach of MSOE – to talk about SWIMMING IN COLLEGE. Joel has a ton of great information and insight for any parent or swimmer that's interested in potentially swimming in college.

These Zooms can obviously be watched live ([the LINK is in the attached flyer as well](#)) but can also be viewed asynchronously – we'll post the link later tonight!

[SPRING PARENT MEETING](#)

Speaking of the spring parent meeting, we're still below 100 total views. That tells me we likely have a number of families that have NOT taken the time to view it. We kept the meeting under 35 minutes, so please find the time this week to watch!

SPRING CLOTHING ORDER

Just a reminder that we have a spring clothing order through Simply Swimming for any of you that would like some new BAC gear! They've come up with some more 'springesque' colors and items, so take a look at the attached flyer, and remember that THE DEADLINE IS SUNDAY, APRIL 20th!

MEET SIGN-UPS

Nothing posted yet and we're still waiting for the documents from a few different teams. But we'll be posting what we have by the end of the week and we'll send an email with a notification once we do!

As always, let us know if you have any questions, and GO BAC!
